

Share the Love of Jesus!

The most important purpose of Campers on Mission is to be a witness wherever you go, but there are many benefits to active participation in a Campers on Mission chapter.

The SC chapter hosts rallies which strengthen, support and equip members through fellowship and encouragement. Rallies are held in various areas of the state and typically include fellowship, sharing mission project reports, worship, prayer support, training and of course, good food.

Chapters throughout the U.S. come together annually for a national rally and a time of sharing, learning and fellowship. Each year, a different state chapter hosts the national rally. In 2020, the SC chapter will host the national rally.

SC COM: Sharing Christ as we go.....

Campers on Mission (COM) is a national interdenominational organization of evangelical Christian campers who look for opportunities to share their faith and God's love through their participation in missions activities while camping.

While traveling across the United States and Canada, COM members assist churches, church planters and associations in a variety of mission projects to reach individuals and communities with the gospel.

The members of SC Campers on Mission encourage, equip and enable each other in sharing the Christian faith and lifestyle "on the go" as campers whether:

- on vacation
- during weekend recreation or
- while serving on short-term mission projects or
- on long-term mission projects.

...and you will be My witnesses in Jerusalem and in all Judea and Samaria, and to the ends of the earth." — Acts 1:8

Everyone Can Be Involved!

Each one should use whatever gift he has received, faithfully administering God's grace in its various forms. --1 Peter 4:10

Membership in Campers on Mission is open to all evangelical Christians who are active members in good standing in an evangelical church. Combining a love for the outdoors and Christian fellowship, Campers on Mission is a great way for families to have the relaxation of a vacation and a meaningful mission project. It's also perfect for retired individuals to continue to exercise their gifts for the Kingdom of God. Whether single or married, young or older, there is an opportunity for everyone to be involved.

Most members have RVs but it isn't necessary—many ministry opportunities provide lodging for volunteers.
